

BOARD OF COUNTY COMMISSIONERS met this 1st, day of July A.D.1924 with all members and David West in the chair.

Mr. McManis of Saratoga appeared before the board and requested some relief from the conditions that prevailed in his school district -No.17. After hearing his explanation the board, by motion regularly made and carried, decided to transfer sections 31 and 32 township 19, range 85 from school district No.17 to school district No.9 which action placed Mr. McManis in district No.9.

A delegation at this time appeared before the board urging action on the Rawlins - Baggs cut off road with an offer of temporary assistance, financially, in order that the work that is under progress may not be held back for want of finances. After hearing their proposition they were assured that the road would very shortly be in good condition without their assuming any further obligations.

Mr. Geo. Salisbury and Mr. and Mrs. W.C. Beeler of Battle Creek presented a very urgent plea for the division of school district No.28 but as the commissioners were not familiar with the local conditions prevailing in that district and in the absence of a petition from the property owners the subject was taken under advisement.

No other business forthcoming at this time the board proceeded with the payment of the following bills.
