By motion regularly made and carried the board recessed until ten o'clock a.m. on Friday July 10th.

Board resumed its session this 10th day of July with all members present and C.W. Morgan presiding.

Requisite petitions from all parties concerned were presented to the board at this time requesting that the ranch of Mrs.Mollie Day McKee be transferred from School District No.35 to District No.30 and that School District No.30 be amalgamated with District No.9. Definite action was impossible at this time owing to the absence of the other member of the boundary board, Miss Helen Irving.

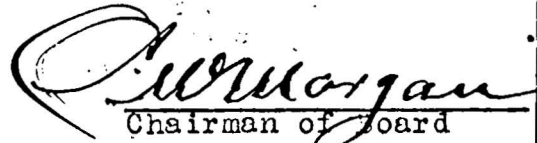

However, after an informal talk with the County Superintendant by telephone, it was agreed that such change was very important, that it was endorsed by all members of the Boundary Board and that at the August meeting of ^{the} Board of County Commissioners, a resolution requiring the above mentioned changes should be enrolled in the proceedings of this board.

RAILROAD CROSSING AT RAMSEY:

Moved by W.M.Englehart, seconded by P.L.Gooldy and duly carried, that the Railroad Crossing at Ramsey near mile post No.639 be changed to a private crossing with two 16 feet gates on either side."

Motion duly made and carried to adjourn until the regular meeting on August 4th. A.D.1925

Clerk of Board.

Chairman of Board
