Project Cb g Riverside-Colo Line Road

*Road*

The clerk having been instructed to make inquiry of the State Highway Dept., as to the exact status of the Riverside Colo line road, word was received from that Dept that there is no possibility of its becoming a Federal Aid route in the near future because all of the mileage available for designation of Federal Aid roads in this state has been exhausted and that at this time there is no prospect of available State funds for its construction and it was agreed that at this time the Board could take no farther action on this matter.

## Reports

Reports of County Treasurer, Justice of the Peace J. H. Crawford M. B. McKillip and W. H. Jordan were received approved and filed

## School Levy

It being conceded that errors had been made in requesting certain levies in School Districts # 5 and # 17 motion was made and carried that the levies be reduced as follows: District # 5 from 6 mills to  $2\frac{1}{2}$  mills

" # 17 "  $4\frac{1}{2}$  " " 1 mill

## Commissioners Deed

On motion duly made and carried the clerk was requested to prepare a Commissioners Deed in favor of Maurice E. Anderson on the following described tax delinquent property: # 139 - Alchemist Lode Claim as described in book 70 page 388 and # 140 Pathfinder and Indians Lode Claim as described in book 70 page 108 of Mining Records in the office of County Clerk of Carbon Co. Amount paid \$48.50

Effort being made to reduce County expense where possible the Board agreed to dispense with specially appointed stock inspectors and the sheriff was requested to notify his deputies to act in that capacity.

Concurring with a resolution made and passed October 4th 1927 by the Board of Carbon County Commissioners a waiver of certain taxes of the Saratoga and Encampment Valley R.R. Co was approved for 1931.

There being nothing farther to come before the Board at this time it was duly adjourned to meet in special session November 9th.
