

## Special Meeting

Nov. 9, 1931

*TCoaQ*

The Board of County Commissioners met this 9th day of November A. D. 1931 at 10 o'clock A. M. in special Session, D. C. Kinnaman and Glenn Penland present Glenn Penland Chairman.

The object of this session was to receive damage claims and hear objections on the proposed highway known as Cb 9 Riverside-Colo line road as advertised.

Word having been received from the State Highway Department that at this time it would be impossible to do active work on this road it was agreed to take no action on the claims.

There being nothing farther before the Board it was regularly adjourned to meet in regular session December 1, 1931
