The Commissioners decided that the constant demand for use of the Community Room by many organizations precludes any possibility of converting the Community Room into an addition to the Library.

Mayor Sam Tully and City Attorney, C.L. Bates, met with the Board to discuss the possibility of the sale of a small tract of land owned by Carbon County in connection with the Memorial Hospital. The Board called the Hospital Trustees to consider further this matter. After some discussion the Board and the Hospital Trustees decided to reject this proposal as the growth of the city would more than likely require the enlargement of hospital facilities in future years.

There being no further business, the meeting was adjourned.
