STATE OF WYOMING }
> SS.
COUNTY OF CARBON }

I, Wm. A. Johnson, County Assessor for the County of Carbon, State of Wyoming, do hereby certify that the within and foregoing report of valuations, levies and taxes for the year 1952 is true and correct.

In Testimony Whereof, I have hereunto set my hand this 4th day of August A.D., 1952.

Wm. A. Johnson
County Assessor.

REQUEST BY SCHOOL DISTRICT NO. 15 for special tax levy for establishment of comprehensive program of vocational, terminal, continuation, and adult education was rejected for the reason that notice was not published as provided for under Section 32-207 WCS of 1945 and further, the affidavit was not forwarded that notice was published, to the County Superintendent of Schools and the County Clerk.

REQUEST OF SCHOOL DISTRICT NO. 15 for the establishment of a building fund was rejected as the school district did not comply with Section 67-301 through 303 of the WCS 1945, and for the further reason that they have already issued bonds equaling approximately six per cent of the assessed valuation for 1951.

There being no further business, the meeting was adjourned.
