RURAL FIRE PROTECTION AGREEMENT

THIS AGREEMENT, made and entered into between the State of Wyoming through its Board of Land Commissioners, party of the First part, and Carbon County of Wyoming, party of the Second Part, in consideration of the mutual agreements, promises, covenant and performances by the parties as hereinafter provided:

## WITNESSETH:

WHEREAS, the said County has requested the cooperation of the State Board of Land Commissioners in the protection from fire of its rural resources.

WHEREAS, the Board of Land Commissioners has found that such cooperation is deemed highly necessary to enhance the fire protection organization.

NOW, THEREFORE, the said parties do hereby enter into this agreement to cooperate to suppress or prevent fires of all rural origin.

## ARTICLE I, the County of Carbon AGREES:

1. To set up a rural fire protection budget annually listing fire protection expenditures to be made. This budget, providing funds are available, is to be submitted to the State Forester for his review.

September 5, 1984

- 2. To render a satisfactory accounting of all expenditures made under this agreement and to furnish the State Forester with a certified statement for all expenditures made listing date of expenditure, from whom procured, description of item, cost, etc.
- 3. To maintain equipment procured under this agreement strictly for fire suppression.
- 4. To use every proper means to bring about active cooperation of individual landowners with respect to all private lands afforded protection under this agreement.

ARTICLE II, the State Board of Land Commissioners, AGREES:

- 1. To supervise and render technical assistance for the proper functioning of the cooperative fire protection system, to include rural fire training.
- 2. To reimburse said County for all rural fire protection expenditures as set down in the annual budget.
- 3. To make such inspections of the equipment procured under this agreement as may be necessary to promote the effectiveness of said equipment.
- 4. To make the necessary audit and inspection of County records kept under this agreement that will assure budgetary adherence and fiscal integrity.

ARTICLE III, it is expressly understood and agreed between the parties hereto:

- 1. That excess property procured under this agreement shall be used under the terms covered by memorandum of understanding dated , 19 , and title to such excess property shall remain with the Federal government.
- 2. That this agreement shall remain in force and effect for an indefinite period of time unless terminated by either party upon ninety (90) days written notice to the other party.

IN WITNESS WHEREOF, the parties hereto cause this agreement to be executed on the 5th day of September 1984.

MEMORANDUM OF UNDERSTANDING

EXCESS PROPERTY

This memorandum is entered into between the State Forester and the Cooperators named below in order to set guidelines and clarify responsibilities in the use of governmental excess property obtained by the State Forester under the authority of the Cooperative Forestry Assistance Act of 1978 and the Rural Development Act of 1972.

I. PROCUREMENT:

- 1. Procurement of excess property will be by the State Forester through the General Services Administration as directed by rules of the U.S. Forest Service.
- 2. All costs of equipment, transportation, repairs and other costs will be paid by the Agency receiving property or equipment.
- 3. The State of Wyoming and the U.S. Forest Service will be held harmless against any and all losses, damages, costs, injuries, or claims thereof to persons or property (including the employees, agents, servants or authorized personnel of the State of Wyoming, Forestry Division or the U.S. Forest Service) involving, arising out of or resulting from Cooperator's use, possession, custody and control of the equipment provided and furnished pursuant to this Agreement.

II. OWNERSHIP AND ACCOUNTING:

- 1. Titles of all excess property will be retained by the Federal Government with only a registration certificate and a State GFD license plate for such equipment.
- 2. Excess property secured by an Agency will remain in possession of such agency and will not be recalled except under conditions beyond the control of the State Forester.
- 3. Excess property vehicles will be painted a fire engine red or lime yellow color, and shall be marked in such a manner as will indicate cooperation between the State and county. Decals for this purpose will be provided by the State Forester.

September 5, 1984

4. Excess property of no further use will be disposed of by and under directions of the State Forester as directed by the conditions and terms of the State disposal system.

5. The State Forester will make periodic inspections of excess property to insure compliance with the intent of this memorandum. The State Forester will cause a biennial inventory to be made for the purpose of accounting for all equipment. The cooperating agency, upon demand of the inventory officer, will show or otherwise account for any property issued by the State Forester under this memorandum. Loss by fire, theft, etc., will be reported immediately to the State Forester with signed affidavit showing loss, cause, and recovery action attempted by the cooperator.

### III. LICENSING:

1. All excess property vehicles must bear a State GFD or county plate.

### IV. RESPONSIBILITY AND INSURANCE

1. The Cooperator agrees to assume full responsibility for accidents and injury occurring in or around excess property vehicles.

2. The Cooperator agrees to provide proof of sufficient insurance coverage on all excess vehicular equipment issued by the State.

### V. USE AND REPAIR

1. The Cooperator agrees to use excess property for fire protection only.
2. All repair and operating expense will be paid by the cooperators having possession of the equipment.
3. All operating equipment must be kept in good, serviceable and safe repair.

The agreement shall be effective from the date first appearing below and shall continue in force from year to year unless terminated by either party by six months written notice to the other.

With termination of this agreement, each party will retain its original equipment.

IN WITNESS WHEREOF, the parties have hereunto set their hand and seals this day and year written below.

### DEPARTMENT OF HEALTH & SOCIAL SERVICES

The following amendment to the Community Program Block Grant was executed.

#### AMENDMENT

AGREEMENT made this \_\_\_\_\_ day of \_\_\_\_\_, 1984, between Carbon County Commissioners and the Department of Health and Social Services, Division of Community Programs, hereinafter referred to as parties.

WHEREAS on or about the 23rd day of July, 1984, the parties hereto entered into a written contract; said contract is herein incorporated by reference.

AND WHEREAS said parties have agreed to modify certain terms of said contract:

NOW, THEREFORE, it is AGREED that the provision, numbered II J, of the aforementioned previously executed contract be hereby amended to read:

- J. Funds made available to the provider through this contract will be used for purposes specified in this contract and not for any other purpose. Prohibited uses of funds include but are not limited to:

1. For capitol construction projects or for the purchase of buildings or for other long term capital investments unless otherwise specifically provided herein:
2. To pay lobbying expenses for state and federal funds, including travel, per diem, telephone, printing or services of a lobbyist.

NOW, THEREFORE, it is FURTHER AGREED that the provision, numbered III A, of the aforementioned previously executed contract be hereby amended to read:

- III. Responsibilities of the provider are as follows (failure to comply with one or more of the following provisions can result in the withholding of quarterly payments):

- A. Where the provider is a corporation, the board of directors shall be accountable for the performance of this contract.

NOW, THEREFORE, it is FINALLY AGREED that the provision, numbered II C of the aforementioned previously executed contract is hereby amended to read:

September 5, 1984

In order to terminate a contract with a provider, the administrator will notify the president or chairman of the board of the directors of the program by certified mail that the division has determined that the program is not meeting the terms of the contract with the division. This notification shall be in the form of a formal complaint against the program. The complaint shall be handled in accordance with Chapter XI of the Rules and Regulations of the Division of Community Programs. A program which has had its certification revoked in accordance with the provisions of Chapter VIII of the Rules and Regulations of the Division of Community Programs is not entitled to a second hearing on termination of contract.

This agreement shall in no way act as a waiver of any of the conditions or obligations imposed on the parties by the aforementioned previously executed contract, and any rights which either of the parties may have by virtue of such former contract are to be considered as being of full force and effect.
