County Attorney Ed Risha advised he had ordered the autopsy to be performed by Rostad Mortuary. This had involved using the hearse to transport the body from another site back to Rawlins to perform the autopsy. Linda Fleming suggested the commissioners meet with Bill Ball in regard to this being considered a county burial.

Bill Ball did meet with the commissioners at approximately 9:20 a.m.

Commissioner Fleming moved to go into executive session for the purpose of possible litigation issues at 9:23 a.m. Chairman Zeiger seconded. The motion carried unanimously. Commissioner Fleming moved to come out of executive session at 9:40 a.m. Chairman Zeiger seconded. The motion carried unanimously.

Commissioner Fleming moved to approve the minutes of November 20, 2001 as written. Chairman Zeiger seconded. The motion carried unanimously.

Chairman Zeiger and Commissioner Fleming expressed their appreciation to a handful of county employees for their participation in the Wyoming County Commissioners Association meetings held in Saratoga on November 26-28, 2001. Certificates of appreciation were presented to Cindy Baldwin, Patty Bentsen, Alice Garvin, Gwynn Rothenberger, Helen Winningham, Liz Greenwood, Jamie Smith and Linda Ann Smith.

Commissioner Fleming moved to appoint Catherine MacPherson to a three-year term on the Saratoga-Carbon County Joint Powers Board to fill an expired position on the board. Her term will run from July, 2001 to July, 2004. Chairman Zeiger seconded. The motion carried unanimously.

Letters of interest for the Memorial Hospital of Carbon County Board of Trustees were received from Joe E. Jones, Susan K. Flack, and Roxy Bell. Commissioner Fleming moved to appoint Joe E. ASSESSOR'S OFFICE

Darrell Stubbs appeared before the board and presented them with 27 rebates to be signed, 21 of which are from PP&L.

Linda Ann Smith will write letter to Forest Service to be a cooperating status with the state. No action will be taken on this at this time.

Linda Ann Smith advised she had received a letter from Lt. Shinkle of the Carbon County Sheriff's Office in regard to the heating situation in the jail. He advised it is critical at this time and the jail is not meeting heating standards. Linda advised Long and Associates will be on site tomorrow to try and correct the problem quickly and efficiently.

CARBON COUNTY SENIOR SERVICES

Bill Michie presented his bi-monthly report to the Board.

JAIL COMMITTEE

Sheriff Colson advised he had recently met with the architect and a person that provides security for jails (cameras, sliding doors, etc.). The security company advised Sheriff Colson that Big Horn County was putting in a new jail at this time, which is comparable to ours. They would like to visit this new jail before inmates are housed there and see how their system is used.

The Jail Committee is meeting on December 5, 2001 with their consultant and the architect. They will be discussing the final draft of the master plan and the schematic design. The master plan will be completed by December 31, 2001.

Sheriff Colson advised he met with the Stockgrowers Association and gave them a presentation on the new jail. He did advise them of the location across from the fairgrounds and advised that this portion of land was being donated to Carbon County by the City of Rawlins. He advised the group that the water and sewer hook-ups were being provided by the city.

Chairman Zeiger advised he had heard, in the last few days, who had advised that the proposed location for the new jail was only to be used by the fair board or agricultural usage. County Attorney Ed Risha advised the Board that since the County had signed the contract with the City of Rawlins and the County had completed their "end of the bargain" on the new golf course road, that the City was obligated to provide the water and sewer hook-ups for the new jail.

Sheriff Colson advised the Jail Committee may wish to get on the ballot for next year with the new jail. The County Clerk advised she will have election schedule information very soon. Linda Smith advised the County Clerk's Office must adhere to a strict April deadline to give them time to prepare their ballots.

Sheriff Colson advised he had submitted the necessary paperwork, with Donna Messerlie's assistance, in regard to the Juvenile Justice Grant (WCCA non-participating grant). He should have a response by December 17.

Sheriff Colson advised overcrowding is an issue in the jail now. They will be going from 26 to 22 beds soon. They are looking into using arm bands for inmates in a house arrest type situation. The cost will be \$5 per day to be paid by the inmate. They also have the capability to hook up an alcohol monitoring system, if needed, for an additional \$5 per day to be paid by the inmate.

Commissioner Fleming suggested to Sheriff Colson that the commissioners and the jail committee have a special meeting with all the town councils, or a representative from each town council, and make a decision if this issue must be put on the ballot. Chairman Zeiger suggested we send out a letter to each council member advising them of the importance of their input at this meeting. The meeting will be set for Wednesday, December 19, 2001 at 6:00 p.m. in the Land Office. The commissioners will make their decision as to what type of ballot will be used in the next general election.

EMERGENCY MANAGEMENT

Greg Zabel presented his bi-monthly report to the Board of Commissioners.

COUNTY ROAD 351

Dan Brownell appeared before the Board of Commissioners and presented them with a signed petition in regard to County Road 351.

Chairman Zeiger suggested we send a letter to the Wyoming Bureau of Reclamation and request a meeting with them to discuss this matter. Dan Brownell gave the name of John H. Lawson at Post Office Box 1630 in Mills, Wyoming. He suggested the commissioners meet with Mr. Lawson.

Chairman Zeiger seconded. The motion carried unanimously.

Alice Garvin presented a LGLP official ballot and the Board is asked each year to cast their votes. This year there are nominations for one 3 year term for the county commissioner position and two nominations for an at-large 3 year term. The choices are Jack Skates and Mark Kucera (currently serving).
