LITTLE SNAKE RIVER AMBULANCE

Ron Taylor, PA, Noyes Clinic, gave a report to the Commissioners on the ambulance service for the Little Snake River Valley. Mr. Taylor reported that 6 lives have been saved, 60 runs were made and 4 persons were saved from having permanent severe disabilities. He also reported there were 21 EMT's on the LSRV Ambulance crew.

CAPITAL FACILITIES

Commissioner Fleming reported that the capital facilities tax will be paid out in June, 2001 and there would be funds which would be held for one year. The amount of the ambulance funds would be approximately \$15000.00.

PROPANE TANK/TANKER

The following individuals spoke and presented letters of concern to the Commissioners regarding the propane tank and tankers at the residence of

Shawn and Leonard Hall on Highway 70, Baggs; Steve and Barbara Powell, Sue and Ludwig Centa and Diane Brock.

The Commissioners have previously had Carbon County Planning and Zoning check into zoning for the area. The State Fire Marshal visited the site to investigate the propane tanks but not the tankers. The above citizens have grave concerns about the propane tanks not being properly decommissioned, the smell, and safety of residents close by. The Commissioners requested that the Clerk draft a letter to the State Fire Marshal office expressing a deep concern regarding safety and ask them to revisit the issue.

AG EXTENSION

Warren Crawford appeared before the Commissioners to report that the University of Wyoming was moving on the vacant position for an AG agent. Mr. Crawford advised the commissioners that the extension office needed a vehicle to replace the big truck used at County Fair. The commissioners agreed to allow Mr. Crawford to purchase a trailer for \$2,000 or less.
