

**REPORT TO THE
MINUTES OF THE BOARD OF
CARBON COUNTY COMMISSIONERS
REGULAR MEETING
Tuesday, June 6, 2023 @ 9:00 a.m.
and
Wednesday, June 7, 2023 @ 8:30 a.m.
Carbon Building- Courthouse Annex,
215 W. Buffalo Street, Second Floor, Rawlins, WY**

A regular meeting of the Board of Carbon County Commissioners (BOCC) commenced Tuesday, June 6, 2023, at 9:00 a.m. at the Carbon Building-Courthouse Annex in Rawlins, WY. Attending the meeting were Chairman, Sue Jones, Vice Chairman, Travis Moore, Commissioners John Johnson, John Espy, and Byron Barkhurst.

Chairman Jones called the meeting to order at 9:00 a.m.

ADDITIONS / CORRECTIONS

Commissioner Johnson moved to amend the agenda to move the Cherokee Road amended order first. Commissioner Barkhurst seconded and the motion passed unanimously.

VOUCHERS

Commissioner Barkhurst moved to approve payment to Sunrise Sanitation for \$75.00. Commissioner Espy seconded and the motion passed with all voting for the motion except Chairman Jones who abstained due to personal conflicts.

Commissioner Barkhurst moved to approve the report of expenditures in the amount of \$1,291,914.79 for an aggregate total today of \$1,291,989.79. Commissioner Espy seconded and the motion passed unanimously.

CONSENT AGENDA

Commissioner Espy moved to approve the consent agenda noting any item could be removed for separate action. Clerk Bartlett noted the consent agenda includes the May 16, 2023, regular meeting minutes; the May 31, 2023, special hearing meeting minutes; bonds for Meghan O Lally, Treasurer for Little Snake River Conservation District in the amount of \$10,0000.00 and Brandee Nicole Forster, Clerk/Treasurer for Town of Dixon in the amount of \$50,000.00; monthly receipts from the Carbon County Planning and Zoning in the amount of \$21,550.00, the County Clerk in the amount of \$33,061.50, the Clerk of District Court in the amount of \$3,090.00 and Road and Bridge in the amount of \$400.00; Notice of Valuation Changes in the amount of (\$586,864.00). Commissioner Moore seconded and the motion passed unanimously.

Commissioners

Attorney Davis reported the BOCC needs to amend the Findings of Fact and Conclusions of Law Regarding Adoption of Cherokee Road (County Road 451) adopted at last week's special hearing. She noted this removes mention of payment of damages as no payments were to be made.

Commissioner Moore moved to authorize the chairman's signature on the Amended Findings of Fact and Conclusions of Law Regarding Adoption of Cherokee Road (County Road 451). Commissioner Espy seconded and the motion passed unanimously with Commissioner Barkhurst abstaining due to not being present at the hearing.

Employee Recognition

County Clerk Gwynn Bartlett overviewed employees having reached years of service milestones in June.

Carbon County Senior Services, Inc. – World Elder Abuse Awareness Day Proclamation

Kelly Morrell, Executive Director for Carbon County Senior Services, Inc. presented a Proclamation for World Elder Abuse Awareness Day. Ms. Morrell read the proclamation.

Commissioner Espy moved to authorize the Chairman's signature on the Proclamation for World Elder Abuse Awareness Day. Commissioner Moore seconded and the motion passed unanimously.

PROCLAMATION
World Elder Abuse Awareness Day
Building Strong Support for Elders

WHEREAS: Older adults deserve to be treated with respect and dignity to enable them to serve as leaders, mentors, volunteers and vital participating members of our communities;

WHEREAS: In 2006, the International Network for the Prevention of Elder Abuse, in support of the United Nations International Plan of Action, proclaimed a day to recognize the significance of elder abuse as a public health and human rights issue; and

WHEREAS: 2023 marks the 17th Annual World Elder Abuse Awareness Day. Its recognition will promote a better understanding of abuse and neglect of older adults; and

WHEREAS: The National Center on Elder Abuse (NCEA) and Carbon County recognize the importance of taking action to raise awareness, prevent and address elder abuse; and

WHEREAS: As our population lives longer, we are presented with an opportunity to think about our collective needs and future as a nation; and

WHEREAS: Ageism and social isolation are major causes of elder abuse in the United States; and

WHEREAS: Recognizing that it is up to all of us, to ensure that proper social structures exist so people can retain community and societal connections, reducing the likelihood of abuse; and

WHEREAS: Preventing abuse of older adults through maintaining and improving social supports like senior centers, human services and transportation will allow everyone to continue to live as independently as possible and contribute to the life and vibrancy of our communities; and

WHEREAS: Where there is justice there can be no abuse; therefore, NCEA urges all people to restore justice by honoring older adults.

WHEREAS: Join us in our engaging and empowering movement and putting an end to abuse.

THEREFORE: I, Sue Jones, Chairman of the Board of Carbon County Commissioners, do hereby proclaim June 15, 2023, as World Elder Abuse Awareness Day in Carbon County, and encourage all of our communities to recognize and celebrate older adults and their ongoing contributions to the success and vitality of our country.

Dated on this 6th day of June, 2023

BOARD OF CARBON COUNTY COMMISSIONERS
-s-Sue Jones, Chairman

ATTEST: -s-Gwynn Bartlett, Carbon County Clerk

ELECTED OFFICIALS & DEPARTMENT HEADS

Attorney

County Attorney Sarah Chaves Harkins requested and received approval to fill two vacant legal assistant positions in the office.

Emergency Management

Lenny Layman, Carbon County Emergency Manager reported that Williams Energy made a donation in the amount of \$2,500.00 to Office of Emergency Management.

Mr. Layman provided an update on the Hazard Mitigation Grant Program noting he will purchase six early warning sign gauges for the Mullen burn scar. There is no cost for deployment, they require little programming and are designed for robust alerts and accurate early warnings. Chairman Jones asked about the continuous monitoring fee. Mr. Layman stated that he secured the equipment and the processes of gathering and communicating information from the equipment through NOAA and the National Weather Services. He noted there is a match of \$5,499.32 (10%) to the federal grant of \$44,583.32 that he will find elsewhere, likely from a donation. So, there will be no additional or future costs to the County. Clerk Bartlett asked who was providing the monitoring fee and Mr. Layman responded it was covered.

He provided a public notice update regarding a planned controlled breach of Teton Reservoir. Mr. Layman provided an update on the current flooding in the county and potential upcoming storms. He has been in a 6-week virtually activated state at the C4. He anticipates at least two more flood coordinator calls.

Road & Bridge

Kandis Fritz, Road and Bridge Coordinator reported she has a request to open County Road 297 near Hanna however she has no intentions of opening that road anytime soon noting there is an alternate route out of Hanna, County Road 291.

Ms. Fritz requested authorization to make County Road 497, all 42.1 miles of the Buzzard Road and County Road 499, all 15 miles of the North Ferris Road seasonal roads. These roads would be maintained and open in the summer only. Currently the county keeps these two roads open for one or two families and it is nearly impossible to do so. When WYDOT closes the highway to Casper, crews can't access the roads to open them in addition to the fact they are located 80 miles from Rawlins just to get here.

Attorney Davis reported she believes that when the county adopted seasonal roads previously the county would provide a 45-day notice through the Administrative Procedures Act followed by a hearing then adopt the recommendation. If the BOCC is willing to take such action she and Ms. Fritz can proceed with the notification and taking comments from landowners.

Ms. Fritz introduced the Carbon County Road and Bridge Road Management Policy. She stated that the policy will be utilized as a handout to new homeowners to utilize as a tool in making an educated and informed decision who chooses to purchase rural land. This policy states that the objective of the Carbon County Road and Bridge Department is to construct, maintain, and repair Carbon County roads under the classification list provided to the best of their ability. Ms. Fritz stated that it is a constant struggle to keep up with increased traffic volume, larger and heavier vehicles, and development that puts more demand on some roads. The Carbon County Road and

Bridge Department will continue to do all it can to give attention to the needs of county roads and related structures, while balancing those needs with the limitation of shrinking budgets, less manpower than in the past, and tighter schedules. She stated that it is important to know that life in the county is different from life in the city, County governments are unable to provide the same level of service that city governments provide. She would like to add that if 51% or more of landowners on a county road do not like magnesium chloride, she would cease applying it. The BOCC authorized her to proceed with both this and the seasonal road concept and Attorney Davis noted that she will work with Ms. Fritz on applicable notices and scheduling a public hearing.

Commissioner Johnson thanked Ms. Fritz for her diligence in bringing her ideas forward about various ways to maintain county roads.

Ms. Fritz presented the Road Use Agreement for the Transwest Express Transmission Line Project for board approval and Chairman's signature. This is for 28.3 miles of county road Ferring Crossing, 20-Mile and the Wamsutter Road and Attorney Davis reported this has met legal approval.

Commissioner Johnson moved to approve the Road Use Agreement between Carbon County and Transwest Express Transmission Line Project for a term through construction unless terminated by either party sooner. Commissioner Moore seconded and the motion passed with all voting for the motion except Commissioner Espy who abstained due to conflict.

Health Officer

County Health Officer, Duane Ables, MD reported on various diseases striking the country and Carbon County.

Building and Grounds

Ashley Mayfield Davis, Carbon County Civil Attorney on behalf of Mike Newbrough, Carbon County Building and Grounds Manager presented an agreement with the town of Hanna for the town to contribute \$1,500 towards utilities at the Hanna Library through April 2024.

Commissioner Espy moved to approve the Purchase of Service Contract with Carbon County Library for the Hanna Public Library Branch Black Hills gas and water utilities bills to be paid by the Town of Hanna in an amount not to exceed \$1,500.00 per year and \$1,200.00 effective April 11, 2023 through April 11, 2024 unless terminated earlier by the Carbon County Library due to lack of funding for the continuation of library services in the Town of Hanna. Commissioner Moore seconded and the motion passed unanimously.

Sheriff

Sheriff Alex Bakken reported human remains found in the Pedro Mountain area are likely to be those of John Hammond. He is waiting for DNA analysis to confirm this. He met with Darren Jennings recently and he believes Carbon County School District #2 is willing to contribute \$40,000 annually for a school resource officer for their district if the county would employ the

position and pay the rest and offer benefits. He will continue to work towards this and present more information later.

He had a large search and rescue meeting recently. He will be reestablishing two 501c3 organizations for each half of the county, develop bylaws for each and likely develop a way of contributing a retirement for the volunteers and possibly having a volunteer medical director so that S&R be required to obtain Sheriff approval before they obtain an asset the county would then be stuck with.

Planning and Development

Sarah Brugger, County Planning Director discussed the Land Use Plan update and the formation of a steering committee. She presented the Carbon County Land Use Plan Update Steering Committee qualifications and application.

Commissioner Johnson moved to authorize Sarah Brugger to advertise for Land Use Plan Steering Committee applications. Commissioner Espy seconded and the motion passed unanimously.

Certifications of Recommended Action

Mrs. Brugger presented certifications of recommended action on behalf of the Carbon County Planning & Zoning Commission and requested a public hearing be scheduled for each. The applicants are Z.C. Case #2023-02 – Curtis and Brenda James, Min Sub Case #2023-01 – James Minor Subdivision, Z.C. Case #2023-05 – Dennis and Mandy Goodwin, C.U. Case #2023-06 – PacifiCorp – “Gateway West Segment D-1 Transmission Line Project”.

Commissioner Barkhurst moved to accept Certifications of Recommended Action from the Carbon County Planning & Zoning Commission for Z.C. Case #2023-02 – Curtis and Brenda James, Min Sub Case #2023-01 – James Minor Subdivision, Z.C. Case #2023-05 – Dennis and Mandy Goodwin and C.U. Case #2023-06 – PacifiCorp Rocky Mountain Power “Gateway West Segment D-1 Transmission Line Project” and schedule a public hearing for Tuesday, July 5, 2023, at 1:30 p.m. at the Carbon Building – Courthouse Annex. Commissioner Espy seconded and the motion passed unanimously.

Mrs. Brugger presented certification of recommended action on behalf of the Carbon County Planning & Zoning Commission for C.U.W. Case #2023-01 – Two Rivers Wind LLC – “Two Rivers Wind Energy Project” with the scheduled public hearing before the Board of County Commissioners to hear and consider this request on Tuesday, June 6, 2023, at 10:30 a.m. The P&Z Commission had two motions, both of which died.

Commissioner Barkhurst moved to accept Certification of Recommended Action from the Carbon County Planning & Zoning Commission for C.U.W. Case #2023-01 – Two Rivers Wind LLC – “Two Rivers Wind Energy Project” and hear with the scheduled public hearing today, Tuesday, June 6, 2023, at 10:30 a.m. Commissioner Johnson seconded and the motion passed unanimously.

Clerk

Carbon County Clerk Gwynn Bartlett reported Richard Raymer has resigned from the Saratoga Carbon County Impact Joint Powers Board.

Commissioner Barkhurst moved to regretfully accept the resignation of Richard Raymer from the Saratoga Carbon County Impact Joint Powers Board and directed the Clerk to advertise for the vacancy. Commissioner Espy seconded and the motion passed unanimously.

Commissioner Johnson moved to appoint Ashley Mayfield Davis to the Juvenile Services Board for a 3-year term of ending June 2026. Commissioner Barkhurst seconded and the motion passed unanimously.

Clerk Bartlett discussed comp time payout for June. The full payout would be approximately \$75,000 and if the board chose to only pay any comp time over 40 hours that amount would be approximately \$30,000. She recommended paying it all out. She spoke with Sheriff Bakken and Undersheriff Kelly and both recommended a full payout with exceptions by department as needed.

Clerk Bartlett reported that a couple of years ago she hired US Imaging to scan land books before the clerks moved to the Carbon Building-Courthouse Annex. As part of this the commissioners' minutes were also scanned from 1871-2005. Portions of 1911 are typed all the way through 2005 and those typed minutes are OCR'd (text recognizable) and are now available on the county's website for the public. Other minutes from 1971 through the rest of 1911 are also available for searching but not on the website because of ADA reasons. The original books have been safely kept off site.

CARBON COUNTY FIRE PROTECTION DISTRICT

Jim Piche, Vice President for the Carbon County Fire Protection District provided an update noting their budget has been submitted as required. They have interviewed for their administrative assistant position and plan to select an applicant soon. They plan to begin work on agreements with municipalities soon.

PUBLIC HEARING - Z.C. Case #2023-03 – James Bosler

Chairman Jones opened a public hearing at 10:30 a.m. to hear Planning & Zoning Z.C. Case #2023-03, James Bosler's request for a Zone Change from Ranching, Agriculture, and Mining (RAM) to Rural Residential Agriculture (RRA) for Lots 1-3 located in the proposed Derby Estates First Minor Subdivision encompassing approximately 15 acres, RRA-5.00 (Lot 1); RRA-5.00 (Lot 2); RRA-5.00 (Lot 3) and is located approximately 2.5 miles northeast of Saratoga off Carbon County Road #550 (Buck Creek Road/205 Connector) on the north side. The RRA Zone is intended to be applied in areas of the County which are particularly suited to large lot development that allow both agricultural and residential uses intermingled. Planning Director Sarah Brugger presented the case.

Chairman Jones called for comments for or against the case. There being no comments, she closed the hearing at 10:37 a.m.

Commissioner Barkhurst noted the files indicate there are three lots but the plat only shows two lots. Ms. Brugger stated the two-lot plat is for the second minor subdivision, not associated with this case file.

Commissioner Barkhurst moved that based on the recommendation of the Planning & Zoning Commission and staff to approve Resolution No. 2023-17, A Resolution of the Board of County Commissioners of Carbon County, Wyoming adopting the recommendation of the Carbon County Planning and Zoning Commission regarding Z.C. Case #2023-03, James Bosler's request for a Zone Change from Ranching, Agriculture, and Mining (RAM) to Rural Residential Agriculture (RRA) for Lots 1-3 located in the proposed Derby Estates First Minor Subdivision encompassing approximately 15 acres, RRA-5.00 (Lot 1); RRA-5.00 (Lot 2); RRA-5.00 (Lot 3) and is located approximately 2.5 miles northeast of Saratoga off Carbon County Road #550 (Buck Creek Road/205 Connector) on the north side. Commissioner Espy seconded and the motion passed unanimously.

Resolution No. 2023 – 17

**A Resolution of the Board of County Commissioners of Carbon County, Wyoming,
adopting the recommendation of the Carbon County Planning and Zoning Commission.**

Z.C. Case File #2023-03

WHEREAS, pursuant to the Carbon County Zoning Resolution of 2015, as amended, and Wyo. Stat. Ann. §18-5-202(b), the Carbon County Planning and Zoning Commission held a public hearing on Monday, May 1, 2023, which hearing was advertised by public notice at least thirty (30) days prior to said hearing; and

WHEREAS, at the Monday, May 1, 2023, public hearing, the Carbon County Planning and Zoning Commission provided the public the opportunity to comment and the Carbon County Planning and Zoning Commission considered any public comments which were made at said public hearing; and

WHEREAS, at the conclusion of said Monday, May 1, 2023, public hearing, the Carbon County Planning and Zoning Commission voted to certify in writing its recommendation to the Carbon County Board of County Commissioners to adopt the zone change as an amendment to the Carbon County Official Zoning Map for Carbon County, Wyoming; and

WHEREAS, the Carbon County Board of County Commissioners, pursuant to the Carbon County Zoning Resolution of 2015, as amended, and Wyo. Stat. Ann. §18-5-202(c) and after receipt of said certified recommendation of this zoning amendment to the Carbon County Official Zoning Map, advertised by public notice at least 14 days prior to a public hearing to take public input and comments on the proposed amendment, which said hearing occurred on Tuesday, June 6, 2023; and

WHEREAS, at said public hearing on June 6, 2023, the Carbon County Board of County Commissioners provided the opportunity for the public to comment and for the Carbon County Board of County Commissioners to consider any comments which were made on the proposed amendment; and

WHEREAS, the Carbon County Board of County Commissioners in considering the proposed amendment have also reviewed and considered the Carbon County Comprehensive Land Use Plan, as amended; and the Carbon County Zoning Resolution of 2015, as amended; and

WHEREAS, the Carbon County Board of County Commissioners have determined that the proposed amendment is in general conformance with the Carbon County Comprehensive Land Use Plan, as amended, and that the proposed zone change meets the following applicable criteria of the Carbon County Zoning Resolution of 2015, as amended; and

WHEREAS, at a regularly scheduled meeting of the Carbon County Board of County Commissioners, by majority vote, the Carbon County Board of County Commissioners moved to approve the proposed zoning amendment to the Carbon County Official Zoning Map.

Z.C. Case File #2023-03: Request for a Zone Change from Ranching, Agriculture and Mining (RAM) to Rural Residential Agriculture (RRA) for Lots 1-3 located in the proposed Derby Estates First Minor Subdivision encompassing approximately 15 acres. RRA-5.00 (Lot 1); RRA-5.00 (Lot 2); RRA-5.00 (Lot 3). The RRA Zone is intended to be applied in areas of the County which are particularly suited to large-lot development that allow both agricultural and residential uses intermingled.

Companion Case--Minor Subdivision Case File #2023-02: Minor Subdivision Request to create three (3) lots (Lot 1 = 5 Acres; Lot 2 = 5 Acres; Lot 3 = 5 Acres). The applicant is also applying for a zone change request (see above Z.C. Case #2023-03) to comply with the Carbon County Zoning Resolution of 2015, as amended.

Minor Subdivision Name: Derby Estates First Minor Subdivision

Petitioners: James Bosler (Applicant and Land Owner)

Parcel Identification Number: 18833120004400

General Site Location: Approximately 2.5 miles northeast of Saratoga off Carbon County Road #550 (Buck Creek Road/205 Connector) on the north side.

Legal Description: A parcel of land located within Lot 2 of Section 31, Township 18 North, Range 83 West, 6th P.M., Carbon County, Wyoming.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF COUNTY

COMMISSIONERS OF CARBON COUNTY, WYOMING:

That the Carbon County Board of County Commissioners, hereby adopts this amendment as certified to them in writing by the Carbon County Planning and Zoning Commission and the existing zone shall be changed from Ranching, Agriculture and Mining (RAM) to Rural Residential Agriculture (RRA) for Lots 1-3 located in the proposed Derby Estates First Minor Subdivision encompassing approximately 15 acres, more specifically, RRA-5.00 (Lot 1); RRA-5.00 (Lot 2); RRA-5.00 (Lot 3).

PRESENTED, READ, AND ADOPTED at a regularly scheduled meeting of the Board of County Commissioners of Carbon County, Wyoming, on this 6th of June 2023.

**BOARD OF COUNTY COMMISSIONERS OF
CARBON COUNTY, WYOMING**

By: -s- Sue Jones, Chairman

On behalf of the Carbon County
Board of County Commissioners

Attest:

-s- Gwynn G. Bartlett, Carbon County Clerk

PUBLIC HEARING - MIN SUB Case #2023-02 "Derby Estates First Minor Subdivision"

Chairman Jones opened a public hearing at 10:39 a.m. to hear Planning & Zoning Minor Subdivision Case File #2023-02, James Bosler's Request to create three (3) lots (Lot 1 = 5 Acres; Lot 2 = 5 Acres; Lot 3 = 5 Acres). The applicant is also applying for a zone change request (see above Z.C. Case #2023-03) to comply with the Carbon County Zoning Resolution of 2015, as amended and is located approximately 2.5 miles northeast of Saratoga off Carbon County Road #550 (Buck Creek Road/205 Connector) on the north side. Planning Director Sarah Brugger presented the case.

Chairman Jones called for comments for or against the case. There being no comments, Chairman Jones closed the hearing at 10:43 a.m.

Commissioner Johnson moved to authorize the Chairman's signature on the Minor Subdivision Case File #2023-02, James Bosler's request to create three (3) lots (Lot 1 = 5 Acres; Lot 2 = 5 Acres; Lot 3 = 5 Acres). Commissioner Espy seconded and the motion passed unanimously.

PUBLIC HEARING - Z.C. Case #2023-04 – James Bosler

Chairman Jones opened a public hearing at 10:44 a.m. to hear Planning & Zoning Z.C. Case #2023-04, James Bosler's request for a Zone Change from Ranching, Agriculture, and Mining (RAM) to Rural Residential Agriculture (RRA) for Lots 1 and 2 located in the proposed Derby Estates Second Minor Subdivision encompassing approximately 10.04 acres. RRA-5.02 (Lot 1); RRA-5.02 (Lot 2) and is located approximately 2.5 miles northeast of Saratoga off Carbon County Road #550 (Buck Creek Road/205 Connector) on the north side. The RRA Zone is intended to be applied in areas of the County which are particularly suited to large-lot development that allow both agricultural and residential uses intermingled. Planning Director Sarah Brugger presented the case.

Chairman Jones called for comments for or against the case. There being no comments, she closed the hearing at 10:49 a.m.

Commissioner Barkhurst moved that based on the recommendation of the Planning & Zoning Commission and staff to approve Resolution No. 2023-18, A Resolution of the Board of County Commissioners of Carbon County, Wyoming adopting the recommendation of the Carbon County Planning and Zoning Commission regarding Z.C. Case #2023-04, James Bosler's request for a Zone Change from Ranching, Agriculture, and Mining (RAM) to Rural Residential Agriculture (RRA) for Lots 1 and 2 located in the proposed Derby Estates Second Minor Subdivision encompassing approximately 10.04 acres. RRA-5.02 (Lot 1); RRA-5.02 (Lot 2) and is located approximately 2.5 miles northeast of Saratoga off Carbon County Road #550 (Buck Creek Road/205 Connector) on the north side. Commissioner Espy seconded and the motion passed unanimously.

Resolution No. 2023 – 18

**A Résolution of the Board of County Commissioners of Carbon County, Wyoming,
adopting the recommendation of the Carbon County Planning and Zoning Commission.**

Z.C. Case File #2023-04

WHEREAS, pursuant to the Carbon County Zoning Resolution of 2015, as amended, and Wyo. Stat. Ann. §18-5-202(b), the Carbon County Planning and Zoning Commission held a public hearing on Monday, May 1, 2023, which hearing was advertised by public notice at least thirty (30) days prior to said hearing; and

WHEREAS, at the Monday, May 1, 2023, public hearing, the Carbon County Planning and Zoning Commission provided the public the opportunity to comment and the Carbon County Planning and Zoning Commission considered any public comments which were made at said public hearing; and

WHEREAS, at the conclusion of said Monday, May 1, 2023, public hearing, the Carbon County Planning and Zoning Commission voted to certify in writing its recommendation to the Carbon County Board of County Commissioners to adopt the zone change as an amendment to the Carbon County Official Zoning Map for Carbon County, Wyoming; and

WHEREAS, the Carbon County Board of County Commissioners, pursuant to the Carbon County Zoning Resolution of 2015, as amended, and Wyo. Stat. Ann. §18-5-202(c) and after receipt of said certified recommendation of this zoning amendment to the Carbon County Official Zoning Map, advertised by public notice at least 14 days prior to a public hearing to take public input and comments on the proposed amendment, which said hearing occurred on Tuesday, June 6, 2023; and

WHEREAS, at said public hearing on June 6, 2023, the Carbon County Board of County Commissioners provided the opportunity for the public to comment and for the Carbon County Board of County Commissioners to consider any comments which were made on the proposed amendment; and

WHEREAS, the Carbon County Board of County Commissioners in considering the proposed amendment have also reviewed and considered the Carbon County Comprehensive Land Use Plan, as amended; and the Carbon County Zoning Resolution of 2015, as amended; and

WHEREAS, the Carbon County Board of County Commissioners have determined that the proposed amendment is in general conformance with the Carbon County Comprehensive Land Use Plan, as amended, and that the proposed zone change meets the following applicable criteria of the Carbon County Zoning Resolution of 2015, as amended; and

WHEREAS, at a regularly scheduled meeting of the Carbon County Board of County Commissioners, by majority vote, the Carbon County Board of County Commissioners moved to approve the proposed zoning amendment to the Carbon County Official Zoning Map.

Z.C. Case File #2023-04: Request for a Zone Change from Ranching, Agriculture and Mining (RAM) to Rural Residential Agriculture (RRA) for Lots 1 and 2 located in the proposed Derby Estates Second Minor Subdivision encompassing approximately 10.04 acres. RRA-5.02 (Lot 1); RRA-5.02 (Lot 2). The RRA Zone is intended to be applied in areas of the County which are particularly suited to large-lot development that allow both agricultural and residential uses intermingled.

Companion Case--Minor Subdivision Case File #2023-03: Minor Subdivision Request to create two (2) lots (Lot 1 = 5.02 Acres; Lot 2 = 5.02 Acres). The applicant is also applying for a zone change request (see above Z.C. Case #2023-04) to comply with the Carbon County Zoning Resolution of 2015, as amended.

Minor Subdivision Name: Derby Estates Second Minor Subdivision

Petitioners: James Bosler (Applicant and Land Owner)

Parcel Identification Number: 18833120004400

General Site Location: Approximately 2.5 miles northeast of Saratoga off Carbon County Road #550 (Buck Creek Road/205 Connector) on the north side.

Legal Description: A parcel of land located within the SE1/4NW1/4 of Section 31, Township 18 North, Range 83 West, 6th P.M., Carbon County, Wyoming.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CARBON COUNTY, WYOMING:

That the Carbon County Board of County Commissioners, hereby adopts this amendment as certified to them in writing by the Carbon County Planning and Zoning Commission and the existing zone shall be changed from Ranching, Agriculture and Mining (RAM) to Rural Residential Agriculture (RRA) for Lots 1 and 2 located in the proposed Derby Estates Second Minor Subdivision encompassing approximately 10.04 acres, more specifically, RRA-5.02 (Lot 1); RRA-5.02 (Lot 2).

PRESENTED, READ, AND ADOPTED at a regularly scheduled meeting of the Board of County Commissioners of Carbon County, Wyoming, on this 6th of June 2023.

BOARD OF COUNTY COMMISSIONERS OF CARBON COUNTY, WYOMING

By: -s- Sue Jones, Chairman
On behalf of the Carbon County Board of County Commissioners

Attest:

-s- Gwynn G. Bartlett, Carbon County Clerk

PUBLIC HEARING - MIN SUB Case #2023-03 - "Derby Estates Second Minor Subdivision"

Chairman Jones opened a public hearing at 10:50 a.m. to hear Planning & Zoning Minor Subdivision Case File #2023-03, James Bosler's Request to create two (2) lots (Lot 1 = 5.02 Acres; Lot 2 = 5.02 Acres). The applicant is also applying for a zone change request (see above Z.C. Case #2023-04) to comply with the Carbon County Zoning Resolution of 2015, as amended, and is located approximately 2.5 miles northeast of Saratoga off Carbon County Road #550 (Buck Creek Road/205 Connector) on the north side. Planning Director Sarah Brugger presented the case.

Chairman Jones called for comments for or against the case. There being no comments, Chairman Jones closed the hearing at 10:53 a.m.

Commissioner Barkhurst moved to authorize the Chairman's signature on the Minor Subdivision Case File #2023-03, James Bosler's request to create two (2) lots (Lot 1 = 5.02 Acres; Lot 2 = 5.02 Acres). Commissioner Moore seconded and the motion passed unanimously.

PUBLIC HEARING - C.U. Case #2023-05 - Two Rivers Wind LLC - Two Rivers Transmission Line Project

Chairman Jones opened a public hearing at 10:56 a.m. to hear Planning & Zoning C.U. Case #2023-05, Two Rivers Wind, LLC's request for 3a Conditional Use Permit in the Ranching, Agriculture and Mining (RAM) Zone to construct, operate, and maintain the Two Rivers Transmission Project (Project). The Transmission Project will transmit the electricity generated to

the Freezeout Substation. Two Rivers proposes to construct an overhead 230 kilovolt (kV), single-circuit, alternating-current electric line that will act as a generation tie line (“Gen-Tie”) that will connect the Two Rivers Wind Project to the PacifiCorp regional grid at the Freezeout Substation. The Project would traverse approximately 10.6 miles in length and is wholly located within Carbon County on 4.7 miles of Bureau of Land Management administered lands and 6.0 miles of private land and located on the east side of Carbon County approximately 5.5 miles north of Medicine Bow and proceeds west to the Freezeout Substation located in Carbon County. The Freezeout Substation is located approximately 9 miles west of Medicine Bow and 3 miles north of WY HWY 287/30. Planning Director Sarah Brugger presented the case.

John Woody and Jamie Fitzgiven introduced themselves noting they were here in 2019 and the BOCC was clear they wanted the project more significantly advanced before returning and they believe they have done that. They have applied for and received their eagle take permit. The timing of their CUP is critical as they have financial commitments of up to \$200 million and without the certainty of the county’s support, they cannot make such investments.

Ricky Davis, Director of Project Development with Clearway Energy discussed development milestones, the project schedule noting they anticipate commercial operation in 2025. The project anticipates up to 250 temporary jobs with 10-12 permanent jobs, \$2 million in taxes during construction, \$20 million taxes from wind turbine equipment, \$2-\$3 million tax from operations plus \$30 million excise tax from wind energy generation.

Glenn Isaac, Director Regulatory & Environment with Blue Earth Renewables discussed their voluntary eagle take permit they obtained in advance of construction.

Jeff Pope with Holland & Hart discussed the status of the BLM process. He stated if there is an adverse finding about the project such as if there is an EIS, this doesn’t matter because they are backstopped by the fact that the federal process must be completed before the project can begin. He encouraged the board to issue the permit at this time and reiterated there is no risk and no concern to issuing the permit at this time.

Mr. Davis outlined they believe they have met the criteria; they believe they have public support; this project is surrounded by four other wind farms and they feel this is sufficient information to warrant this project.

Bill Bailey, partner of the Two Rivers Ranch stated his support for this project noting he feels this project would be beneficial to the community and allow him to employ 2-3 additional employees on the ranch with the additional income stream.

Mike Boulter, Mr. Bailey’s partner of the Two Rivers Ranch reiterated there is a large wind turbine facility to the north of their ranch owned by a Montana resident, another to the west completed last year owned by a Texas resident. Mr. Bailey is local and supports the local economy and is active in the community and he plans to move to WY soon. They spend their money in Wyoming on equipment and ranching supplies, they own residential real estate and pay local property taxes in Carbon County where the Montana and Texas individuals have no such claims in his opinion. He has a hard time understanding how the county can approve the other projects owned by out of state

residents but question a project on land owned by local residents. After seven years of studies and information gathering, he feels it's time for a decision. As far as environmental concerns, he feels the property is identical to the property to which the Montana and Texas residents with an identical type of wildlife where projects were previously approved.

Brandon Snyder, BLM Project Manager was present to answer questions regarding the NEPA process. He stated the original Environmental Assessment had 18 public comments pointing to some significant holes in the analysis. They are currently working on those and the hydrology portion has been completed. The wildlife analysis effects are still being worked on as well as cultural and tribal portions. Next week the BLM has a meeting with tribes.

Chairman Jones called for comments for or against the case. There being no comments, she closed the hearing at 11:50 a.m.

Commissioner Johnson stated he hoped to entertain tabling this case until after hearing the wind case.

Commissioner Johnson moved to table C.U. Case #2023-05 - Two Rivers Wind LLC's (Two Rivers Transmission Line Project) request for a Conditional Use Permit in the Ranching, Agriculture and Mining (RAM) Zone to construct, operate, and maintain the Two Rivers Transmission Project (Project), located on the east side of Carbon County approximately 5.5 miles north of Medicine Bow and proceeds west to the Freezeout Substation located in Carbon County until after a presentation on the Wind Energy. Commissioner Barkhurst seconded and the motion passed unanimously.

PUBLIC HEARING – C.U.W. Case #2023-01 - Two Rivers Wind LLC - Two Rivers Wind Energy Project

Chairman Jones opened a public hearing at 11:51 a.m. to hear Planning & Zoning C.U.W. Case #2023-01, Two Rivers Wind, LLC's request for a Conditional Use Permit for a Commercial Wind Energy Facility in the Ranching, Agriculture and Mining (RAM) Zone. The request is to allow the applicant (Two Rivers Wind LLC) to install, construct, operate, and maintain the "Two Rivers Wind Energy Project" in Carbon County, Wyoming and is primarily located North of Highway 30 and the Town of Medicine Bow along Wyoming State Highway 487. Planning Director Sarah Brugger presented the case.

Ms. Brugger stated two motions were put on the table in the Planning meeting yesterday however both motions died due to lack of a majority with 4 members present. The motions were for a maximum tower height of 675' and the second to change the reclamation standard from 36" to ISC standards of 48".

At this time Ms. Brugger stated there are currently 436 active permitted projects with wind turbines in the county. There are two pending projects with wind turbines with conditional use permits with 1,000 turbines total and the other with 15.

John Woody returned noting that Clearway owns and operates over 9 GW of projects throughout the country. Mr. Davis stated there is little risk to the county of issuing the permit today and again stressed the \$200 million financial investments on the line today. Mr. Davis reported all comments on why they are here, why they are developing the project and why they want to be in this community all pertaining to this project. For this project he wanted to add that they must understand the market and that this project is the next project and is ready to go. This has financial and economic benefits in the near term. He continued stating regulations require they must have landowners' consent and they do. They have lease agreements with the state of Wyoming in addition to a letter from the BLM requesting the county proceed.

Mr. Isaac addressed comments received noting the BLM has received those as well and all are being taken into consideration. The delay in returning is their trend setting application process.

Mr. Pope stated the G&F comment letter illustrates a land mine as a non-jurisdictional agency and flagged this as a unique project on federal land. He feels the G&F letter invites the BOCC to inadvertently insert themselves into the federal process as these are part of the NEPA process the federal government is performing. He stated the criteria for issuing a CUP is not what G&F says, what BLM says or protecting the environment. He stressed this project surpasses the criteria with both the BLM letter and the volume of studies already performed.

Rich Wilson, a Planning & Zoning member, suggested increasing the liability levels. He also noted the construction zone is in the middle of a migratory path and fears animals will move away permanently in addition to the possibility of reduced revenue from larger turbines.

Mr. Davis, through the board, could issue the permit when the decision of record is effective.

Attorney Davis pointed out Chapter 6 of the County's Zoning Resolution and C2 does explain the P&Z Commission may recommend and the BOCC may require the incorporation of wildlife avoidance therefore she feels the BOCC does have this authority.

Chairman Jones called for comments for or against the case. There being no comments, she closed the hearing at 12:29 p.m.

Commissioner Johnson moved that based on the recommendation of the Planning & Zoning Commission and staff to approve Resolution No. 2023-19 A Resolution of the Board of County Commissioners of Carbon County, Wyoming adopting the recommendation of the Carbon County Planning and Zoning Commission regarding C.U.W. Case #2023-01, Two Rivers Wind, LLC's request for a Conditional Use Permit for a Commercial Wind Energy Facility in the Ranching, Agriculture and Mining (RAM) Zone. The request is to allow the applicant (Two Rivers Wind LLC) to install, construct, operate, and maintain the "Two Rivers Wind Energy Project" in Carbon County, Wyoming and is primarily located North of Highway 30 and the Town of Medicine Bow along Wyoming State Highway 487. Commissioner Barkhurst seconded. Commissioner Johnson stated he thought this case was to come back after a Record of Decision (ROD) not further studies. Commissioner Barkhurst complimented the level of studies however for him personally he takes some of them with a grain of salt. He added there is a process for things and his answer today is not no, but not right now. Commissioner Espy reported that he anticipated a ROD when dealing

with federal land. He doesn't want the county's CUP and the ROD to be far apart and if found the EA is insufficient and if this must go into a full EIS the CUP would expire during that time frame. When permitting multiple use lands, he feels more caution is warranted. He had hoped the group would withdraw the cases until the ROD was issued. Commissioner Johnson stated he agrees with the other commissioners this isn't the right time and there are too many things not covered. Chairman Jones stated that in 2016, Mr. Paul Martin wanted to "dig holes" to obtain production tax credits and the BOCC asked for permits, followed by the 2019 visit and today's visit. She feels this board realizes the value of this permit and this board takes that seriously and they ask that the group returns with the BLM permit. She relies on those agencies and agrees this is still not complete because of the public lands. Commissioner Johnson stated he offered the group the ability to withdraw the applications and the group asked for a brief recess to which Chairman Jones called a 10-minute recess. Mr. Davis asked if the offer to return when the BLM is complete is it the right of way grant or the ROD and Commissioner Espy replied to the ROD. In addition, he asked for clarification if there are other concerns they can cure in the next few months before returning. Commissioner Espy replied to the reclamation standard and total height were all he heard from staff. Commissioner Johnson clarified he can make no promises on a future vote. Mr. Davis stated he would like to withdraw this case at this time. Commissioner Johnson withdrew the motion on the table at this time.

Commissioner Johnson moved to table C.U. Case #2023-05 - Two Rivers Wind LLC - Two Rivers Transmission Line Project request for a Conditional Use Permit. Commissioner Barkhurst seconded and the motion passed unanimously.

Mr. Davis noted he would like to withdraw C.U. Case #2023-05 - Two Rivers Wind LLC - Two Rivers Transmission Line Project request for a Conditional Use Permit at this time.

EXECUTIVE SESSION

Commissioner Johnson moved to go into executive session at 1:04 p.m. with Clerk Bartlett and Ashley Mayfield Davis to discuss personnel, potential litigation and other matters considered confidential by law. Commissioner Barkhurst seconded and the motion passed unanimously.

Commissioner Espy moved to come out of executive session at 1:57 p.m. noting no action was taken and that the minutes be signed and sealed. Commissioner Moore seconded and the motion passed unanimously.

BUDGET

Budget requests were heard as follows: IT/Radio, Emergency Management, Sheriff, Fire and Carbon County Fire Protection District, Assessor, Treasurer and Revenue.

RECESS

The meeting was recessed, and Chairman Jones declared the meeting will resume June 7, 2023, at 8:30 a.m.

Chairman Jones called the meeting to order at 8:30 a.m. on June 7, 2023. Budget requests were heard as follows: Attorney/Mental Health Examiner, Coroner, Clerk of District Court, Road & Bridge, Buildings and Grounds, Dixon Airport, Planning and Development, Public Health, Cooperative Extension Services, Library, Museum, Fair, Economic Development Corporation, Rawlins Carbon County Airport, Carbon County Senior Services and Old Pen Joint Powers Board Clerk, Commissioners, Grants, Elections, Administration, Leases/Bonds, and Special Revenue Funds.

ADJOURNMENT

Commissioner Espy moved to adjourn the meeting at 3:00 p.m. Commissioner Moore seconded and the motion passed unanimously.

A regular meeting of this Board will be held Wednesday, July 5, 2023, at 9:00 a.m. at the Carbon Building – Courthouse Annex, located at 215 W. Buffalo St. Suite 240C, Rawlins, WY. The public is invited to attend, or you can listen online at the website listed below. To get on the agenda, call the Clerk's Office by the Thursday before the meeting. Per Wyo. Stat. §18-3-516(f), access to county information can be obtained at www.carbonwy.com or by calling the Clerk's Office at (307) 328-2668 or 1-800-250-9812.
